

# Primary Afterschool Club

## Term 1

What a fantastic first term we have had, it's been great to see a wide range of year groups, ages and abilities. We have been working on teamwork with some fun warm up games and activities. Then we have been focusing on skills such as passing, dribbling and shooting. Finishing off most sessions with a game practicing their passing and shooting. Also building on their confidence each week. A big thank you to Mr Altman for leading and too Mrs Brown and Mrs Ley for all their help and support. We are looking forward to term 2 and continuing with Football!
