

Primary Special School's Athletics

On Friday 9th June, 2R and 2S travelled to the Prince of Wales Stadium in Cheltenham along with some Ks3 and 4 pupils to take part in the Special School's Sport's Day. Everyone did amazingly well, not only trying their best at a range of different sports. But the team spirit and confidence they gave not only to their peers from AKS. But to other schools too, they made us all feel very proud. And AKS won first place overall, so all our hard work paid off!

2S started off on track events, We had George running 400m, Jayden running 200m, Maxwell and Seb running 50m, Jonathan and Orion running 100m. They all did incredibly well, never giving up. Then we had some take part in field events like javelin, long jump and shot put.

Grace, William, Miley and Maddie took part in the 100m race, Elliott took part in the 200m race, Rafe took part in the 400m race (both boys won!) and Charlie and Ailsa took part in the 50m race. All 2R pupils then took part in the field activities that included Shot put, Javelin and long jump.
