

OUR VISIT TO TEWKESBURY FIELDS

Thursday 25th May 2023

On Thursday 25th May, three pupils from the AKS choir visited a local care home, Tewkesbury Fields, to meet the residents.

In recent months we have linked with Tewkesbury Fields for our house hampers, the Easter decorating competition and story time read by the residents of Tewkesbury Fields.

We are now inviting some residents from the home to come and join the choir on a Monday morning for their choir practise in school.

3 of our pupils, Alex, Nia and George all visited Tewkesbury Fields to represent the choir and break the ice with the residents. First, we had a tour of the home where we were able to see the bedrooms, gardens and their three dining areas!

We also couldn't believe they had their very own salon on site, how fantastic!

After, we then sat with the residents and chatted to them. We found out there were two teachers, with one of the ladies being 103! Nia and George presented two ladies, Jane and Vivian, with flowers thanking them for their story time videos. If you want to view their story time video then [click here!](#)

Overall it was a successful visit and we look forward to welcoming Tewkesbury Fields into our school in term 6.

A quote from Alex "This is living in luxury!"
