

41 Families attended the AKS visit to Malvern Splash on Saturday 13th May. The Friends of AKS hired out the facilities at Malvern Splash so that the families of pupils were able to come for a swim and use the equipment between 5:00-6:30pm.

A huge thank you to Mrs Davies and the AKS Friends who organised the event!

Malvern Splash has wave machine and a range of slides which we were able to use!

AKS Visit to Malvern Splash

Comments from pupils and families:

Great!

It was good to bring the whole family.

It was nice to swim with my family.

I loved the wave machine!

It was great to meet other parents outside of school!

Keep a look out for our cattle country visit in August!
