2H then joined the residents in the lounge area. 2H loved reading to the residents and talking about the fish.

"We enjoyed finding Wally together".

Splitting the pupils and residents into equal groups, many games of Boccia were played. With lots of laughs and encouragement shared by all.

"We love the fish and learning about how they are fed".

"I love this book, I will have to get it for my great grandchildren. She is an excellent reader isn't she".

"Boccia was lots of fun".
