

2S Marina Court Visit

2S had the fantastic opportunity to Travel down to Marina Court an extra housing care home. We were lucky to meet some lovely residents who were up for a game of Boccia. We actually played 16 games, with two mixed teams of residents and pupils from 2S. The teams Red and Blue, both worked so well together, being very supportive encouraging each other and celebrating some amazing shots.

The boys shared their knowledge and skills of the game very well. We had some close games some ending in a draw.

The scores on the doors at the end of 16 games were

Reds 7 - 9 Blue

So the games were very close , but the Blue team were the winners!

After the game we had time to chat with the residents.

Sharing our ages and what we would like to do when we leave school. Then the residents shared with us the age they were when they left school and what jobs they have done. We all enjoyed having a chat and can't wait to meet up with our new friends again.
