**“Something

a treat”**

8B attended two workshops with the Dog's Trust learning about how to be safe with dogs and respect their space. We were also lucky enough to have a behind the scenes tour of their Evesham centre to see all the amazing work they do!

To say thank you to them 8B raised money with a stall at the summer fair where they had name the owl, find the teddies, wordsearches, candle pots and more!

YG believes in helping young people to address all the influencing factors in their lives. We work together with young people to help them figure out what it is they want, what's holding them back and how they can move forward.

YOUR CYCLE OF SELF ESTEEM

What triggers low self esteem?

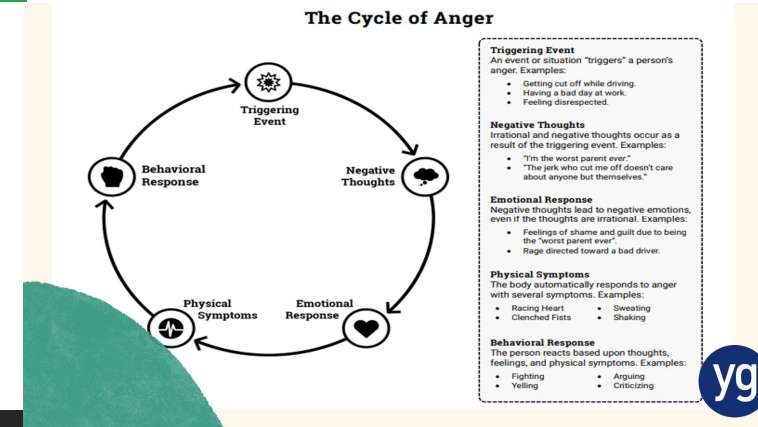

- **Feeling emotions:**
 - sadness, anxiety, depression, guilt, sensitivity, shame.
- **Changes in behaviour**
 - withdrawing from situations, lacking assertiveness, over-analysing appearance, shy and withdrawn
- **Physical feelings**
 - fatigue, low energy, disrupted sleep, inability to concentrate.
- **Negative thoughts**
 - about ourselves and our situation, focusing on our weaknesses.

WORRYING ABOUT WHAT OTHERS THINK OF ME? BEING CONSTANTLY CRITICISED? BLAMING MYSELF FOR THINGS THAT GO WRONG?

Support the mental and physical wellbeing of children, young people and their families in Gloucestershire.

10A met with the YG team and talked about the importance of good mental health and how to build our own confidence.

Tewkesbury communities

Tewkesbury Garden Communities

The Tewkesbury Garden Communities programme promotes the creation of sustainable, community-focused developments

What are Garden Communities?

A Garden Community is the UK Government initiative to describe cohesively planned strategic developments that will deliver more than 1,500 homes. The Government has two tiers of community: Garden Villages have 1,500 - 9,999 homes, and Garden Towns have 10,000 or more homes.

On 25 March 2019, the government announced that Tewkesbury and its surrounding area is one of only a handful of locations to be awarded Garden Town status. These locations are mainly grouped around the train station and A46 and to the East of the M5. There are some additional sites in other areas around Tewkesbury, too, and they all combine to confer the Garden Town status in Government terms.

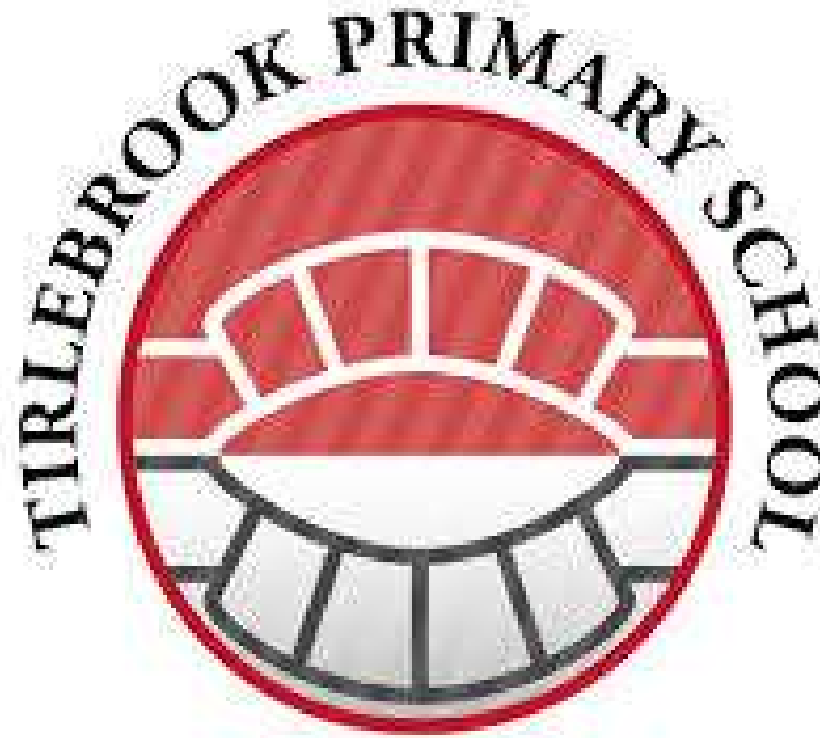

These things are best done one step at a time, or as a phased development, to use the technical term. Each phase will be subject to all sorts of factors, so it's difficult to say which will be done in which order, but it's vital for the area that someone takes the reins to make sure that there are connections, services and community facilities, and that our environment is enhanced by the results.

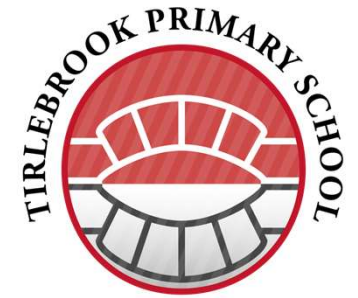

On Sports Day we will be selling ice lollies and drinks to raise money for Young Gloucestershire. Please come and support!

11M - Tirlebrook Primary School

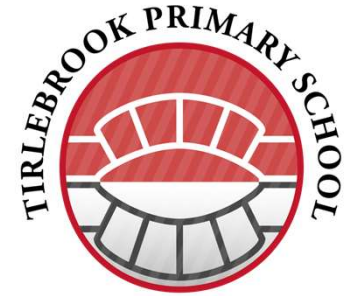

We have had a fantastic year linking with Tirlebrook Primary School. Over the year we have had fun helping the Year 1 pupils make snowman biscuits and sharing our favourite books with them. At Easter time they came to visit us for an Easter egg hunt and an Easter nest cake. On our last visit, our pupils each ran a game with a group of the Year 1 pupils. They were very brave and did a brilliant job!
