2P Community Link 31.1.25
2P collected lots of litter from Tewkesbury school car park. We found lots of crisp packets, chocolate wrappers, plastic cups and even a hubcap! Well done, we were so impressed with your hard work.

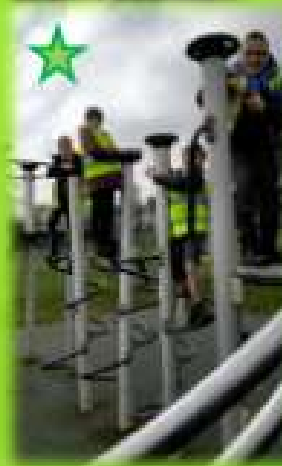

2P Community Link 11.2.25
2P went to Northfields Playing fields. We managed to find some litter. We also enjoyed a play in the park.

On Tuesday, 2P collected litter by the Abbey and the park area as part of our community Link. Great to keep the local area looking smart. Well done!

Drop Everything And Read

9S COMMUNITY LINK WITH GLOUCESTER HOSPITAL
AND THE YOUNG PEOPLE WHO ARE THERE.

What this involved?

9S chose a book as a class and divided the book into different sections.

Members of the 9S tutor team who felt confident enough to read aloud in front of their peers and the many young people and adults at Gloucester Hospital took turns reading different sections of a book.

9S tutor team success:

1. Most of us independently decided to read, showing a real development in confidence.
2. We all spoke loudly and clearly.
3. We all enjoyed being able to give back and provide some enjoyment to other young people.

The Success

Community Link success comments:

Here is some of the feedback we had from the staff at Gloucester Hospital:

We all enjoyed that so much, the pupils read beautifully, and we all loved the story.

Please thank the pupils for their preparation and wonderful reading.

Visiting

Dear residents of Tewkesbury Fields,
We really enjoyed your visit and we hope you did too.
Here are some leftover biscuits for you to share with each other and the staff. We hope you will all enjoy them.
Lots of love,
