

Thursday 9th November 2023 Laurence Robertson MP (Tewkesbury) visits Alderman Knight School

UK Parliament Week (UKPW) is an annual event, spreading the word about what Parliament is, what it does and how you can get involved. We were very fortunate to have our local MP visit school to discuss lots of important topics. Our pupils had been asked to write a brief letter with what questions they would like to ask and we hosted our very own 'Question Time'. Our young people asked Mr Robertson questions on a range of topics like the cost of living crisis, flooding in Tewkesbury and what can be done to reduce all the traffic issues around school and Mr Robertson agreed to raise our concerns with the relevant stakeholders.
