

Gloucestershire PATOSS

On Wednesday 17th May Alderman Knight School held a Gloucestershire PATOSS event where the guest speaker, Pauline Grant, delivered a session on Auditory Processing Disorder.

60 people attended the event which was held at school with members of the AKS staff team attending.

Thank you to Pauline for delivering a great session and we are delighted that PATOSS chose us as the venue to hold this event and we hope to host more in the future!

Feedback from PATOSS

- A lovely venue
- The setting provided a wonderful atmosphere
- Thankyou to Kelly Weston and the staff who joined the talk.

Pauline Grant is an international expert on the educational management of Auditory Processing Disorder and is a worldwide speaker. She is a specialist advisor for ASEND on deaf education and APD and is the immediate past Chairperson of the British Society of Audiology APD Special Interest Group – a multi-disciplinary team of medical doctors, researchers, audiological scientists, educators and therapists. Pauline has a special interest in children who find it hard to listen and concentrate at school, even if they have normal hearing. What are their barriers to learning? Pauline will explain a range of formal and informal interventions to help improve working memory, listening and attention skills.
