Molly – “I found it really fun and exciting to craft with my mum.”

Evie- “It was funny using lots of glue and glitter with my mum.”

Mum – “I thoroughly enjoyed watching Evie and the other children it was fantastic to see how they have flourished and I enjoyed the crafts greatly!”

Aidan – “I was happy that my dad came into school and made a Christmas penguin with me.”

Dad - I just wanted to say what a great chance this was to come in and visit Aidan and the whole class. Aidan loved being able to show me around the classroom and make some Christmas craft together in the class setting which he has proudly shared with family and friends. Thank you very much for setting this up, really worthwhile. It would be great also to be able to observe some regular classwork - though appreciate that isn't as fun for the kids!

Ronnie- “It was fun making a Christmas card with my mum.”

Mum – “I had a great time at the recent LET session with my son. It was awesome to see him feeling so comfortable and confident in his classroom. He was able to move around the room and get supplies for our craft activity without any hesitation. It was really nice to see him in a school environment and witness how relaxed and confident he is. Meeting other pupils and parents was also a great experience. Thank You.”
