Member of the following Committees: -

- **Safeguarding Governor**
- **People, Finance, Premises**

Business Interests: None declared

Role held within other educational establishments:

Biography:

I have recently retired from teaching, having spent 40 years in the profession, 30 of which were at Tewkesbury School where I developed the Vocational Courses within the school and became Head of the Vocational Faculty as well as Lead Child Protection Officer.

During my time at the School I was also a School Governor for many years, playing an active role on both the Curriculum and Welfare Committees. I am passionate about education and firmly believe in enabling every child to make the most of the opportunities available to them. Children should grow up to lead safe, happy, healthy and successful lives.

I am also a member of Tewkesbury Rotary Club and my involvement with Rotary started prior to my retirement, as a way of giving something back to the Community of Tewkesbury and I am totally committed to supporting Alderman Knight School.
