

Week Commencing 27th June 2022

Primary

House point winner this week is Spencer

Welcome back to Bailey after having a lovely time away in Turkey, 2B missed you.

2B

In Art 2B completed their cave man paintings, using lots of different techniques used.

2B have completed some independent English this week. Explaining the sequence of events of our recent trips.

Jess has enjoyed making biscuits

Dylan swam 12 lengths/300metres in the big pool on Wednesday. Well done!!!

The children have been working hard on designing and making their cars out of recycled materials

2E

We have seen some budding chefs in the making this week, with the final result being a delicious carbonara which lots of the children tried at home!

In art 2E have been experimenting with replicating surrealism creations, inspired by Joan Miro and have included their own independent ideas.

This week 2H have enjoyed seeing Amalie the PAT dog, telling the time, Forest School, swimming and singing to the Year 11 leavers – what a busy week

After PE we went on the fabulous Trim Trail

2P have had another brilliant week of learning – we have moved our topic on to the Bronze Age! We have been comparing the two different time periods. In Maths, some of us have worked on recognising different 3D shapes – take a look at our colourful examples!

Star of the week: Euan

The BRONZE AGE

In topic this week, we have looked at Bronze Age hillforts! We looked at their structure, and how they were designed. We compared them to the stone age houses we have looked at previously, and to our houses now.

- My stomach is full after all that food!

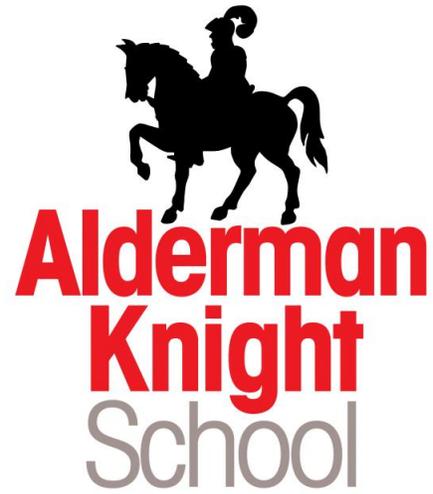

This week in 2R we have been busy practicing our hand eye coordination with speed stacks. In DT we have been creating a drawbridge model and discussed what materials we should use. In topic 2R had lots of fun creating their own map and key.

On Tuesday we had a visit from Amelie the PAT dog. We told Amelie what we all did at the weekend and showed her the pictures. On Thursday 2R had a great time singing with the music man and started to create their own song.

In forest school 2R collected natural materials and printed them on to fabric. We also made stick men and acted out the stick man story. Well done 2R for a great week.

Key Stage 3

We started to learn the ukulele in music

Our House point winner is Libby!

In Science we learned about glands and hormones and how reflex action response messages are sent around our bodies. Learning about hormones also linked well with our PSD lessons.

In ICT we learned more about different types of scams and keeping ourselves safe online.

We wished a Happy birthday to Jess this week

In music we practiced songs ready for our concert next week.

In science we have been testing our reaction times! Even Miss Penny and Miss Postans got involved! We had to watch the screen and when the light went green, click the button. We did this 5 times and then took an average-the results are below!

Congratulations to our house point winner:

FIN!

Our Art Gallery

Here are our final surrealism paintings!

3L

This term we are starting to learn how to play the ukulele! It's very exciting- we have been learning how to play chords, different picking/strumming patterns and even playing along to songs!

3N

Science

We have been learning about our 5 senses. We carried out an experiment to see if we could tell the difference between an apple and a potato if we were blindfolded and held our nose.

DT

We have been making moulds out of wood ready to make our pewter keyrings.

Tutor Star:
George

Art

In Art we are making environmental posters using signage features in the style of Bob and Roberta Smith.

3P

We are working hard on our 4 operations in maths and have also been looking at fractions. Everyone is progressing really well – good job, 3P!

3P love finding time to socialise and play games together. Our current favourites are Connect 4, Battleships and Ludo.

3P have enjoyed focussing on their reading in English this week. We have enjoyed a brilliant range of books, from 'The Smartest Giant in Town' to 'Underworld'!

In PSD we have been talking about how our bodies are changing as we get older. 3P engaged in some mature discussion about this – well done.

In DT, we are planning our own sustainable cities! Last week we wrote down all the buildings we need to include and can't wait to start building our model!

Football-rounders this week was great fun! Well done 3P and 3H for your amazing ball and fielding skills.

We had the most amazing day off site yesterday, we loved every minute. We enjoyed looking at the beautiful animals, playing on the fantastic play park and spending time with our friends!

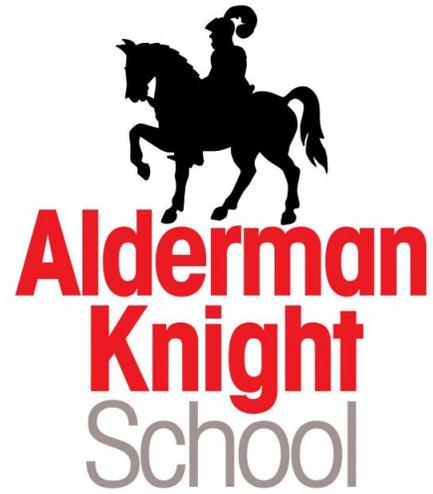

In music this week, we started to learn about the ukulele. We can now name all parts of the ukulele

We had such a fun afternoon picking cherries from our school garden, we washed them and some of us tasted them. They were delicious!

Key Stage 4

**A class filled with talent, knowledge and many interests,
this class is unique and like none of the rest,
It's students and teachers work hard to do their very best, in all that they do; every challenge and quest.**

**Although they sometimes disagree and disobey,
although things will change and come to an end one of these days,
the memories made together will never wither or fade, because there is no other class like the class of 4A.**

4B

Mr Bentley, Mrs Jones and Mr Waters would like to take this opportunity to say how much they have thoroughly enjoyed teaching 4B tutor group. It has been an absolute pleasure to see you all blossom and grow into the young adults you are today. We will miss you all but wish all the best of luck in everything that you do in the future.
Goodluck. Stay safe and take care :)

The multi-talented/skilled 4C – Ukulele players, horse riders, designers and sewers, athletes and 10 pin bowlers!!!

4G

A lovely week for 4G this week! We had a great lesson in English where we had to work as a team to work out the plot of The Tempest in the correct order. We are continuing to work hard in Biology with Miss Postans, and as part of our Asdan PSD award we planned a healthy lunchbox and enjoyed creating it in FR2.

4G were part of the winning group in the AR competition and enjoyed our pizza!

Liam and Kayden are our house point winners this week so congratulations to them!
