

English

This term, in English, there will be a particular focus on Spelling, Punctuation and Grammar.

Throughout this term, we will have a narrative focus. We will be planning and writing our own imaginative stories.

As well as this, we will continue to read a class story for pleasure, as well as keeping up with daily reading and spellings on a Friday.

Topic

Our topic for the term is changes in living memory from the stone age to the iron age.

In Summer 1, we will learn about the History of the Stone Age to Iron Age, as well as looking at artefacts, jobs and homes from that time.

In Summer 2, we will look at geographical similarities and differences through studying human and physical geography.

We will also continue Swimming, Forest School, Reaching Thru Music and Horse Riding (Y6s).

Music

In Music this term, pupils be learning to play the recorder. They will learn to play each of the notes that will lead to being able to play a variety of songs. They will also build on their reading of music, learning where each note sits on the stave.

Maths

This term in Maths, we will be looking at Measurement and Statistics.

In measurement we will be focusing on measuring lengths, heights, mass, weight, capacity and volume. We will also look at monetary values.

In statistics we will be focusing on interpreting and constructing a range of different charts and graphs.

Science

Term 3: we will be learning about plants, including the life cycle of a plant and labelling parts of a plant. We will also be taking part in a range of experiments and planting our own plants in Forest School.

Term 4: we will be focusing on seasonal changes and exploring how that looks in the environment around us. We will also look at the different types of rocks and their properties.

Religious Education

This term, we will be learning about Islam. This will focus on Islamic beliefs, places of worship and special festivals that take place in the Islamic religion. We will learn about who Muhammed is, the Five Pillars of Islam and what a pilgrimage is.

Personal and Social Development

In Term 3, we will be learning about self-care, support and safety. This will include; how we take care of ourselves, keeping safe online and who we can trust.

In Term 4, we will be learning about how our bodies change and grow and what this means as we get older. There will also be a focus on transition to Secondary or our new classes.

PE

This term in PE, we will be learning about adaptive sports. This will include boccia, new age curling and indoor archery. It will be the introduction to the semi-competitive sport for all of the pupils where they will learn about the value of working together and teamwork in a fun and safe environment.

Art/DT/Food

Art:

We will be looking at stone age art, experimenting with new techniques, such as sketching, painting and sculpting while using a range of different materials.

DT:

We will be making our own stone age homes. This will include researching stone age homes, testing waterproof materials and then making the homes using a range of stone age inspired materials.

Food:

This term in Food, we will be focusing on 'food tasting', tasting a range of different food and ingredients.

Stone Age to Iron Age
