

English

In English this term, we will be following the Read Write Inc. framework in order to develop our phonics, reading and writing. There will be a particular focus on spelling, grammar and punctuation. We will also use some English time to focus on our speech, language and communication. We will be reading books for pleasure with a specific focus on our history topic of Knights and Castles.

Spelling, sounds, fred fingers, books, reading

Maths

In Maths this term, we will be learning about time and money. We will be thinking about our daily timetables, days, months and years as well as looking at clocks and how we can begin to tell the time. During Summer term 2, we will focus on Money, identifying different coins and notes as well as other ways to pay for things.

Time, Days, Money, Cost, Coins

Science

Summer Term 1: We will be looking at the lifecycle of plants. We will complete a range of different experiments, ensuring that we are working scientifically. We will also be planting sunflowers.

Summer Term 2: We will be exploring different seasonal changes and how they change and differences in the environment that we live in.

Plants, vegetables, changes, seasons, weather

PE

In PE this term, pupils will be learning about adaptive sports. This will include bocchia, new age curling and indoor archery. It will be the introduction to the semi-competitive sport for all of the pupils where they will learn about the value of working together and teamwork in a fun and safe environment.

Teamwork, competition, winner, right, left

Knights and Castles

Art/DT/Food

In Art this term, we are looking at art in nature and how we can use natural resources to create pictures as well as looking at artists who use nature to create art.

In DT, we are going to make castles, using a range of recycled materials. We will look at joining materials together, as well as creating small mechanisms.

In Food, we will continue to develop our chopping skills of different vegetables, and will begin to identify how vegetables can be used within a range of sweet and savoury foods.

Music

In music this term pupils will be learning to sing a variety of songs based on stories. They will learn about call and response and play instruments with increasing accuracy. Pupils will experience a wide variety of musical styles and encouraged to explore which they enjoy and why.

Religious Education

During the summer term, we will continue to think about special people, places and festivals. We will be focussing on Islam, learning about Islamic beliefs, places of worship and special festivals.

Humanities

Our topic for the term is Knights and Castles.

In Summer Term 1, we will be focusing on the history of Knights and Castles and the impact that Knights have had, on our world as we know it now. We will explore the different jobs that people had, within castles.

In Summer Term 2, we will be focussing on the geographical aspect of Knights and Castles. We will be looking at where Knights travelled and where we can find castles in the UK.

Personal and Social Development

Summer 1: We will focus on "The world that I live in", thinking about the different people within society and the important role that each person plays.

Summer 2: We will be learning about how we change and grow and what this means as we get older.

Bodies, Change, Growing, Jobs, Community
