**Please note:** Performance measures based on qualification results from 2022/23 cannot be directly compared to measures from 2021/22. This is because a different grading approach was used in 2021/22, to take account of the impact of the pandemic.

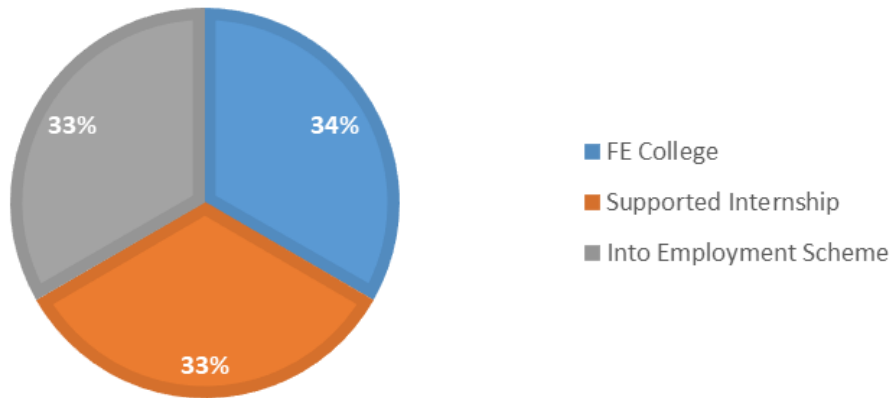

In 2022/23 there was a return to pre-pandemic standards for GCSEs, AS and A levels, with protection built into the grading process to recognise the disruption that students have faced. For VTQs that are taken alongside, or instead, of GCSEs and A levels, there was also a return to pre-pandemic standards in 2022/23. For many students, results from 2021/22 adapted assessments were used towards qualifications in 2022/23.

### Destinations Year 11 Leavers (31 pupils)

## Destinations Post 16 Leavers (6 Students)

### DESTINATION OF YEAR 13 LEAVERS 2022/23 (6 STUDENTS)

**Please note:** The length of time students stay in our Post 16 provision is dependent on their educational aspirations and goals. Some students stay for one year as a bringing provision between school and college, whereas others stay longer. All students finished their respective pathways in 2022/23 and no students left partway through their courses.
