

Week Commencing 4th May 2026

Primary

House Point Winner is...
Umar

2H's Coping Skills

“Almost everything will work again if you unplug it for a few minutes, including you.”

ANNE LAMOTT

2H

Take deep breaths

Tell an adult

Take deep breaths

Use a fidget toy

Go outside

Drawing and Art

Cuddle my toys

Count to 10

Listen to Music

This term, in Math's 2P have been learning about money, understanding value in coins and notes.

House Point Winner this week is Noah, well done!

2P

House Point
Winner...
Emily

2R

First time on the new trampoline in Forest School, we all enjoyed it very much :) We also spent some time with Betty and Boo as well as foraging some fresh snacks for them!

Key Stage 3

House
Point
Winner is
Izzabelle

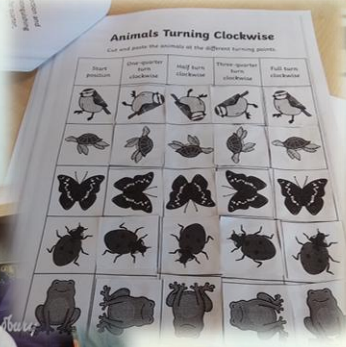

In Math's we have been learning about mathematical movement, we have learnt the propositional terms and recapped on clockwise and anti-clockwise. We used the Bee-Bots to practice turns.

Y7K

House Point Winner:
Angel

In Maths we have been learning about mathematical movement. We have been describing direction and position. We used the Bee-Bots to help us understand a range of turns eg a $\frac{1}{4}$ turn or $\frac{3}{4}$ turn.

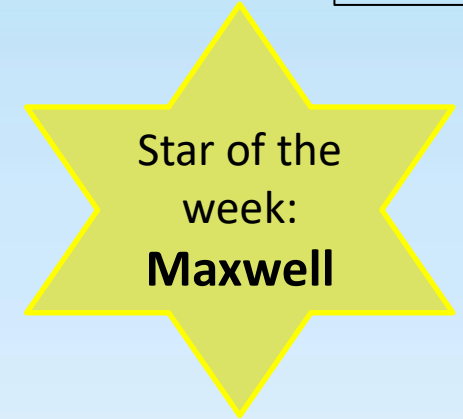

7M

7M highlights this week include doing some Aboriginal mark making in Art, taking the ponies out for a ride during their horse-riding session, finding out some more information about the Battle of Hastings in History and had a great time learning important life skills during their Skillzone trip on Friday.

This week
the House Point
winners are Sattwik
& Ethan!

7R
5/5/26

In PE we have
been doing
Badminton,
sprinting and
relay races.

A
huge welcome to
Oz & Sophie to 7R!

In Art we are
starting our new
topic Aboriginal
Art!

In English, 7R
have been
practicing their
acting skills to A
Midsummer
Night's Dream!

In Maths we
have been
finishing off
our topic on
Time!

House Point
Winner:
Sofia

Star of the
week:
Evie

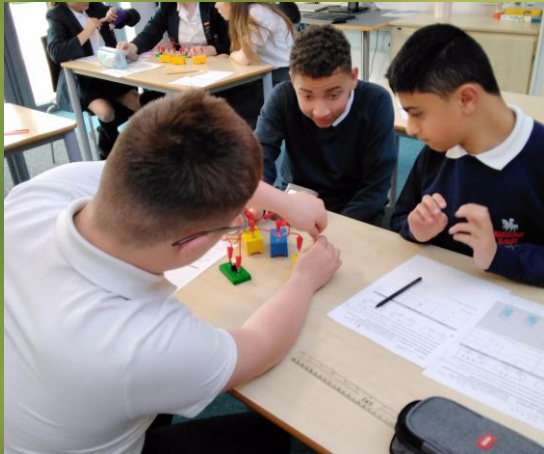

8D

In Music 8D are
learning to play the
Ukulele. Learning
different chords, A
& C Minus

In Science 8D did an
experiment to see how do
the number of lamps in a
circuit affect the electric
current

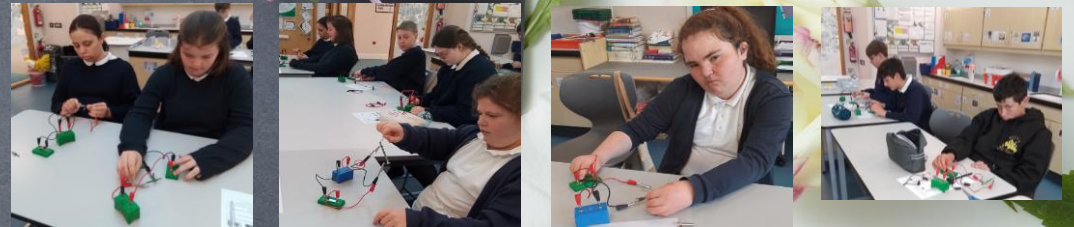

In PSD we enjoyed some team building games including Chinese whispers, cross the bridge and human knot!

In Science we have been creating our own magnetic circuits

In History we have been learning about local historic events

In Drama we have started our new topic: The Wizard of Oz

Our new topic is "The Wizard of Oz."

Title: A House Through Time

House
Point
Winner:
Mali

8P

Star of the
Week:
Alfie

8P did the
work
quickly so
had plenty
of time to
play!

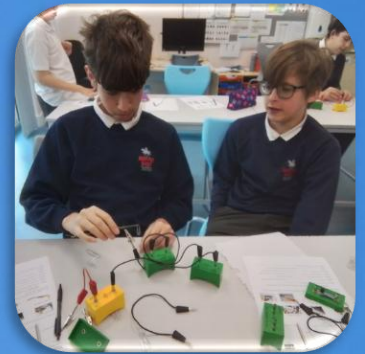

Teamwork makes
the dream work.

Working hard in
Outdoor Learning
to improve the
Monster Play
area.

This Week 8T have enjoyed assessing skills, making pizzas in Food technology, playing ukulele songs in Music, and creating electromagnets in Science.

8T

Tutor Star of the week is Molly

House Point Winner this week is Bentley

Tutor
Star:
Maxen

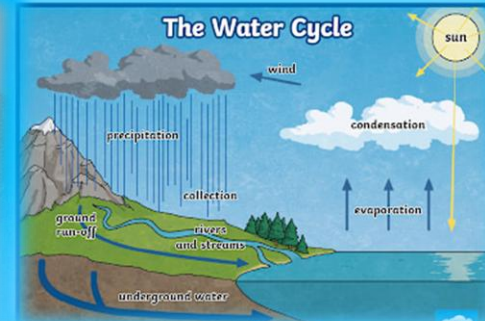

House Point
Winner:
Quaid

In Science we have
been learning
about the water
cycle

9B

In PSD we have
been discussing
ways we can
help our
community link

In Music we
continued
learning the
violin, learning
the different
strings

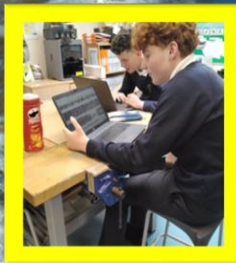

Hope everyone had a lovely
long weekend!

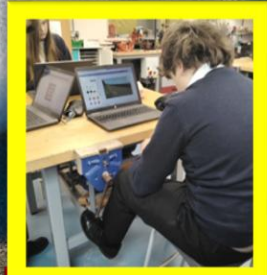

In PE we had our
last session before
we rotate next
week, either
pickleball, athletics,
or outdoor games

In DT the class used Canva to research board games.

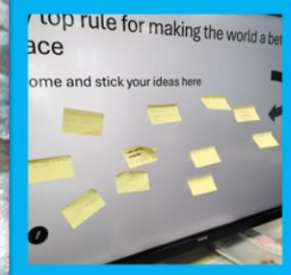

We hope you enjoyed your bank holiday!

Well done to those involved in the Tag Rugby tournament

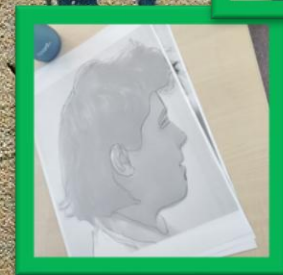

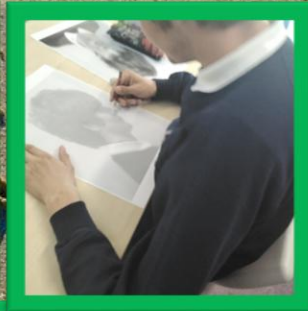

House Point Winner: Lance

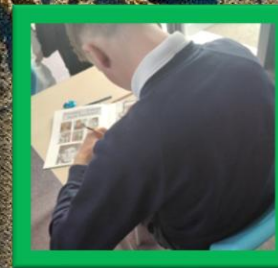

9D

In Religion & Worldviews 9D wrote their thoughts on how to make the world a better place!

Star of the Week: Neve

In Music 9D have been learning to play the violin!

In Art the class were continuing with their sketching of portraits.

It was a quick week for 9K due to the bank holiday; however, they managed to fill it with many activities. In Science the class are learning about the water cycle and evaporation. P.E was a perfect sunny afternoon to play rounders and fielding and athletics. Excellent work 9K!

**House Point Winner
Harley**

HOUSE POINT WINNER:

AILSA

95

During DT we added numbers and Memphis Style patterns onto our clocks

We had lots of fun during our monthly visit to Star College

Key Stage 4

10K

In Food this week, we worked with a partner to make cottage pie, and we all enjoyed our chef's taste of it before assembling it to take home.

In PSD, we watched a documentary in which a group of 12-year-olds gave up their phones for 3 weeks. We found it incredibly interesting and it sparked lots of thought and discussion! In Science with Mr. Goodchild, we carried out an experiment to find the density of various pieces of rock, and those of us that do History learnt about Motte and Bailey castles.

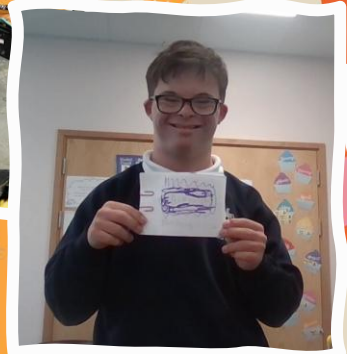

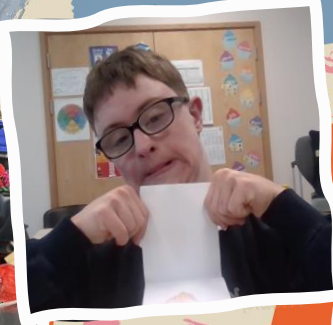

Our Star of The Week is Gracie, and our House Point Winner is Jydon.

Alderman Knight School

10h

On Friday we went back for our second work experience session at Acorns Charity Shop in Tewkesbury. We continued to help sort through stock such as clothing and childrens toys, pricing them up and then putting them out on the shop floor.

Our Drama (Arts Award) group have been learning all about animation in their lessons this week, making their own mini flipbook animations.

In PSD this week, we've been designing our dream electronic applicanes around the home, with some quite interesting results!

Star of the Week
Caleb

Top Winner
Nia

House Point
Winner:
LUCAS

Star of the
Week:
MAISIE

After enjoying the Bank Holiday weekend, in PSD we were learning how to use Google Maps to plan bus journeys. This will help us prepare for our trip to Tewkesbury town centre in June for our class fundraising activity. In Food Technology, we had fun making Cottage Pie. In Religion and World Views we have been discussing animal rights.

In English some of us have been watching a documentary about The Okavanga Delta and creating our own poster about wildlife conservation.

11A

The Okavanga Delta is in Botswana, Africa

There are many organisations that care for the Environment but we be doing more as individuals?

In R&W we have also been looking at the environment and considering who is responsible for caring for our Environment: Individuals, businesses or Governments. We have been preparing a presentation to express our views.

House Point Winner
Kyron
