

Week Commencing 27th April 2026

**Alderman
Knight**
School

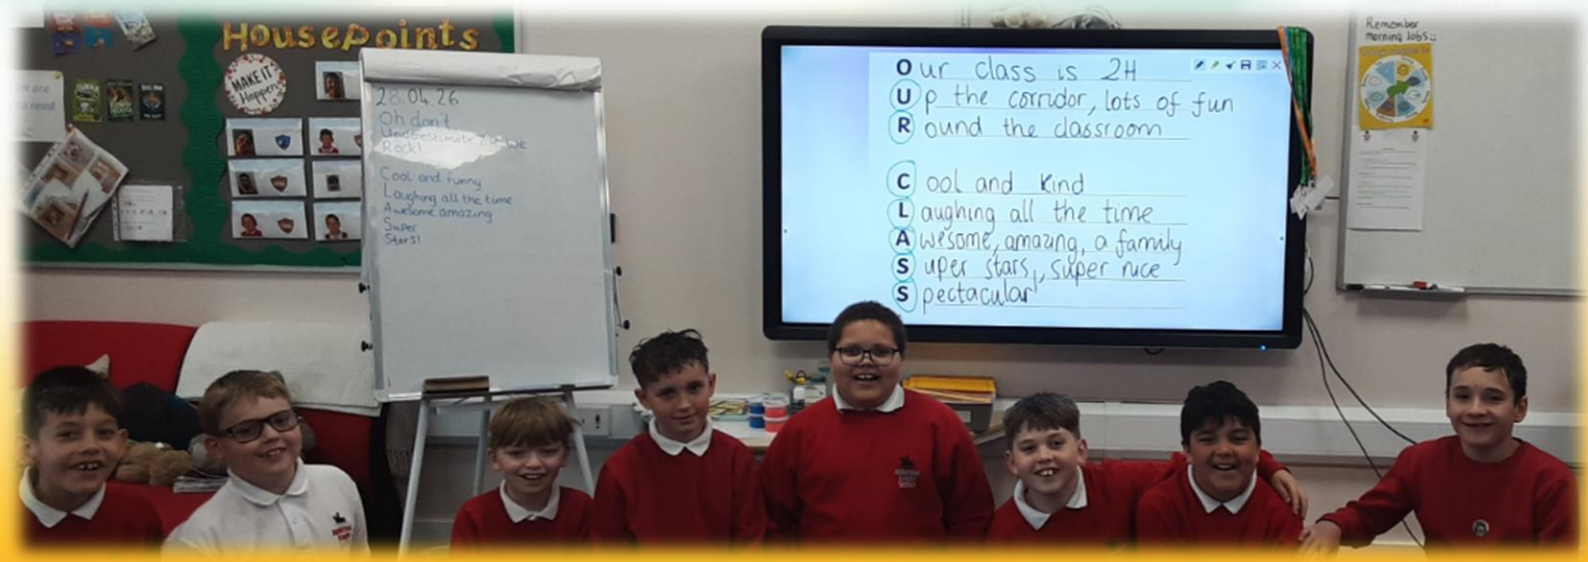

Primary

2H spent some time with Jackie and Amelie for the last time, as they are going travelling around Europe. The boys have loved spending time with them both over the last couple of years. We wish them all the luck in the world and cannot wait to hear about all their adventures! Good Luck Jackie and Amelie!

2H have been working hard on Poems in English. Writing Visual Pattern Poems and Acrostic Poems all about US!

House Point Winner is...
Gil

House Point
Winner...
George

2R

We had a wonderful
time at The
Cheltenham Jazz
Festival, lots of
dancing and singing!

Cheltenham
Jazz Festival

Key Stage 3

In DT the students have been working on Stationary Holders, they all look amazing!
House Point Winner this week is Maxine.

7B

7L made delicious
chicken teriyaki fried
rice dish in their Food
lesson this week.
Well done!

7L

House Point
Winner:
Seb

Star of the
week:
Rea

House Point
Winner:
Pippa

7M

7M's highlights this week include Horse riding, making some delicious chicken teriyaki fried rice in their Cooking lesson, learning about the life cycle of a butterfly in Forest School, and enjoyed picking the best King in History.

This week the
House Point
Winner is Theo

7R
27/4/25

In Science the
class have been
doing a
Filtration
experiment
using Teabags!

In Food the class have
made Teriyaki Chicken
with Pineapple Rice.
They looked and
tasted amazing!

House Point
Winner is:
Alana

In Art, 8D have been tracing a Lego figure or bear brick onto a background and then painted them in complimentary colours.

Star of the
Week is:
Henry.

8D

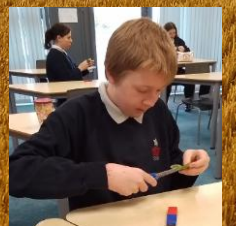

In Food, 8D enjoyed making an Indian Beef Keema Curry. Using one pan and sauteing.

In PE we have continued to develop our batting and fielding skills

In Science we have been doing an experiment to make our own compasses using leaves and needles

In DT we have been continuing to develop our ideas for our pewter necklace/ keyring and begun modelling some of our ideas using clay

House
Point
Winner:
George N.

Star of
the
Week: Mali

We planted
sweetcorn,
sunflower and
bean seeds.

8P

We made tea from a plant
called a Cleaver. Its nickname
is 'sticky willy'. Most of us
were brave enough to try it!

Everyone was excited to use
the new trampoline in Outdoor
learning.

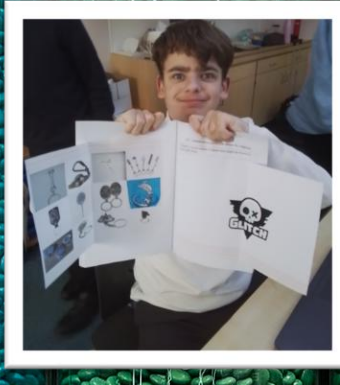

We

Outdoor Learning

Tutor Star of the Week is Rupert

8T

This week in Art, 8T have been painting either a Bear brick or a Lego figure on top of the background painting. This is continuing our study of contrasting colours inspired by Andy Warhol. In DT we made mood boards for our Pewter keyrings and necklace projects.

House Point Winner this Week is Sammy

Tutor
Star
Oliver

House Point
Winner
Oscar

Enjoy the extra
long weekend,
see everyone on
Tuesday!

9B

In DT we have been looking forward to our new topic "board games" This week we have been designing our game and getting peer feedback to see what we can improve

We had a fantastic time playing softball at Hartpury college! Great experience for all, amazing sportsmanship and as a bonus we took the trophy home

Cooking
exam

Well done to those pupils who cooked independently on Monday as part of their assessment. The other half will cook in two weeks.

9D

House Point Winner George CV

In Art the class continued with their cubism portrait designs.

In Food the ones that didn't cook last week cooked their dishes Spaghetti Bolognese, Chicken & Leek Pasta and Sweet & Sour Chicken!

In Drama the class were acting out Alice & Wonderland!

Star of the Week Kit

In our English groups some were following instructions on how to put up a tent whilst another group were acting out to Romeo & Juliet!

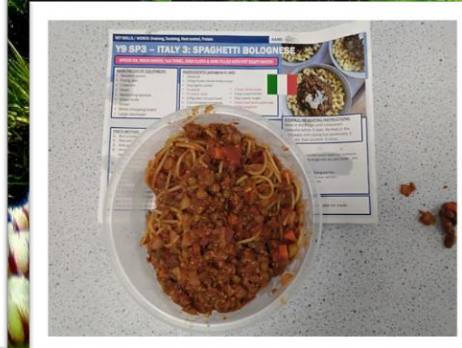

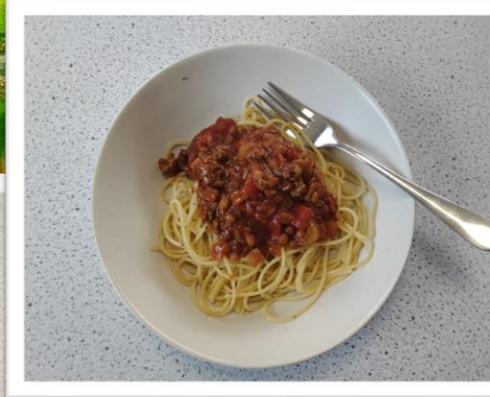

Congratulations to George & Julian who were involved in the softball tournament!

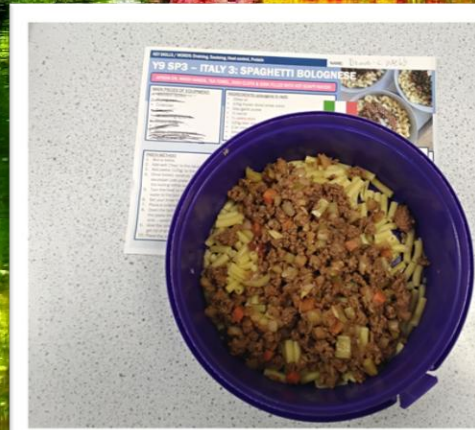

House Point Winners
Tristan and Logan

Well-done to all who represented AKS in Softball and Tag-Rugby competitions and won the trophies !!

Employer Encounters
Galliford Try

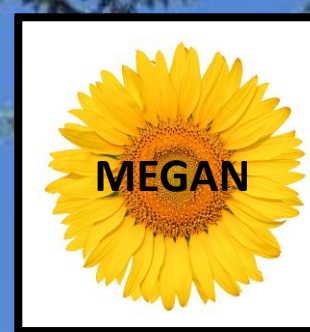

This week we had our first Food Tech Mock Exam, where we prepared Spaghetti Bolognese !

House point winner

95

During Science we learnt about Forces. We performed experiments and named the Forces which were used.

We learnt shot put in PE.

Photograph taken at Star College

Key Stage 4

In P.E this week, we worked on our technique to develop our shot-putting skills and our cricket skills. In Food, we made toad in the hole and all thought it was delicious. In Art, our projects are coming along brilliantly and in Science we have been revisiting recent topics ahead of assessments. In History, we have designed our own Norman castles, considering the important features as well as a few luxuries! Our Star of the Week is Skylar, and our House point Winner is Lilly

Reuben

Star of the Week

Jack

JEP Winner

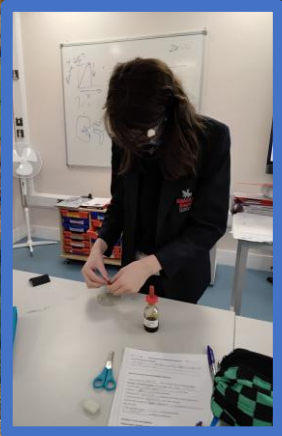

On Friday our DofE pupils headed off on their expeditions to the Malverns. All the 10N pupils completed their walks and camping overnight successfully – well done everyone! This week we returned to cooking, making a delicious old-school sponge cake. Drama pupils have been hard at work thinking about a skill that they can share with younger pupils in primary and beginning to practise these, while our sports leaders have also begun to practise for their next coaching sessions also. In Maths we have been working hard on our new topics, and in Science have continued to work hard on our new assessment topics too. We are looking forward to our next work experience session at Acorns this Friday afternoon; our second session where we will continue to sort through, price up, and display stock in the Tewkesbury store.

This week has been full of achievement and new experiences. Last Friday and Saturday, most of the class took part in their Duke of Edinburgh expeditions, completing two days of walking in the Malvern Hills and an overnight camp on the school field, which they thoroughly enjoyed. In Science, students investigated how light affects photosynthesis through a practical experiment. In PE, they refined their javelin throwing skills before enjoying a game of cricket. In DT, they also benefited from a careers talk by WSP, learning how AutoCAD software is used in local civil engineering projects.

Point
Winner:
EUAN

Star of the Week
MAX

Kenilworth Castle

11A

Year 11 History students visited Kenilworth Castle in Warwickshire

In Food this week we made Marry Me Chicken Lasagna. Delicious!!

House Point Winner: Rhys

In LBS the students have been enjoying being outside to keep the borders around Knight View.

House
Point
Winner:
Libby

Tutor Star:
Harvey

11H

The Year 11 History students visited Kenilworth Castle this week. We had a guided tour looking at the history and significance of all the changes to the castle throughout history and how we can tell from the ruins that remain there!

11S

In PSD, pupils acted out scenarios exploring how to respond to peer pressure related to drugs and alcohol.

House Point
Winner
Elliott

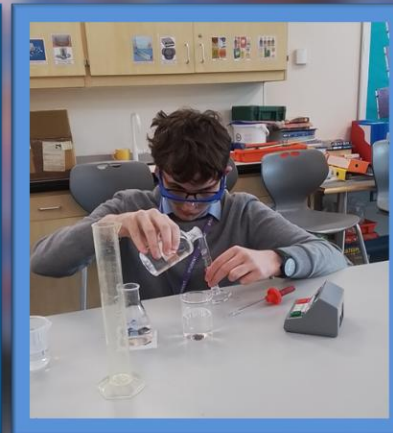

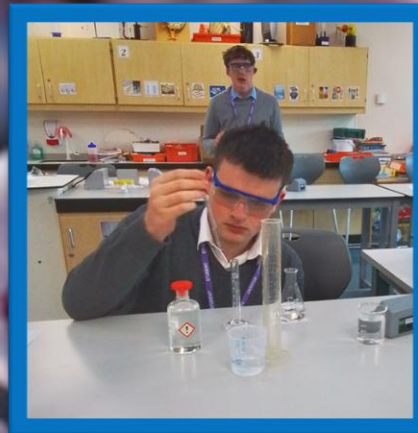

In Food, 11S prepared 'marry me' chicken lasagne.

History students enjoyed an educational visit to Kenilworth Castle.

Post 16

Post 16 – 12C & 13F
Friday 1st May 2026

Enjoy the lovely
long weekend
everyone! 😊

**Y12s working on
their latest
Art project**

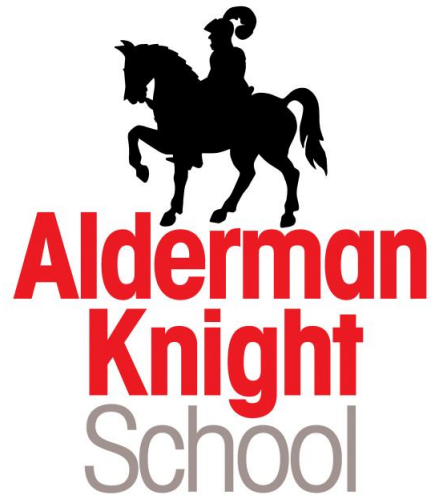

**Customer service
role play in
Business Studies**

**Making Chicken Gnocchi
in Food Studies**

Year 13 students have been practising the required practical experiments in Chemistry this week. This afternoon they made the most of the sunny weather playing 'cricket' and relaxing during P.E.

Signs of the
week

Sign of the week

play

walk

throw

Flat hands at waist height (palms in/up, pointing forward/out) travel up while making two vertical outward circles. Do not flex wrists

Working "V" hand (palm out, pointing down) "walks" up supporting forearm from back of hand to elbow.

Working loosely cupped hand (palm forward, pointing up) moves forwards. Or use appropriate mime.

Thanks to 9S
