

Week Commencing 19th September 2022

Primary

Another packed week for 2B. They have worked so hard in both English and Maths. Using a variety of language and putting our heads together to problem solve. We have had fun learning sea shanties in our Music lesson with Mrs Lea, some great singing and they can't wait for next week.

Forest School this week with Mrs Barlow, we talk about Autumn. We made some beautiful printing with nature around us. A small group made "Spencer" soup in the mud kitchen and had lots of fun hiding from each other.

House Point Winner this week is Dylan, Well done!

In English we have been researching our own Scandinavian Trolls. Drawing our own versions and using descriptive language to describe them. Yuck!!!

HOUSE POINT WINNER: JONATHON!

Star of the Week George!

This week in 2E, we have been working extra hard in English and Maths. We have started to learn about 'Jack and the Bean stalk'. Some of us have started to create our own take on the story!

In Food this week, we made some delicious soda bread. We used a range of different techniques and some of us even tasted our creations when we arrived home.

2E

2E had an amazing first Enrichment session this term. We have all chosen from a wide range of activities and really enjoyed sharing this experience with new friends.

Star of the
Week is
Mylo,
Well done!

2P

The children have enjoyed playing alongside each other with the toys in our classroom.

In Maths 2P did some great sorting with colours and counters.

We had a great time meeting the horses this week. It will be great to see the children grow in confidence each week.

House
Point
Winner
is:
Charlie

In Maths this
week, 2R worked
together to sort
out objects
according to
their size, shape
and colour.

Our topic in Food is
focusing on food from
around the UK. On
Tuesday we made
soda bread, which
originates from
Ireland. Most of 2R
tried the bread and
really liked it.

2R

In our very first cooking lesson on Wednesday, we made soda bread. They all worked very well and took home a lovely loaf each. Well done all.

In Maths we explored counting through playing Snakes and Ladders. We also practiced turn taking and learning that it's okay if we don't win.

Rowan independently wrote this lovely message outside!

In Forest School this week we talked about the change in season. We are now in Autumn, so what is changing? 2S noticed the leaves and how they were changing colour. So, with Mrs Barlow's help they made a beautiful natural collage. Then we played some games and climbed about, while some chilled out having a well needed rest!

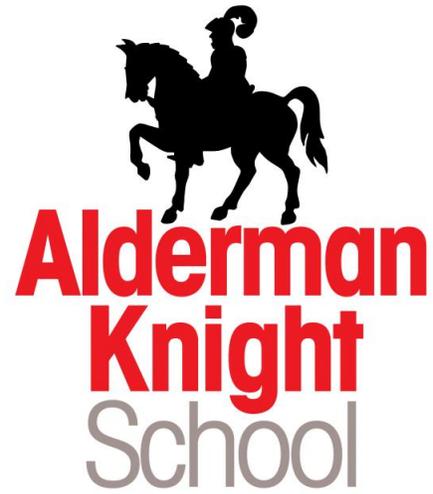

We have been working hard on our sounds and letter formation in English. Also starting in our new phonics groups this week.

Our House Point Winners are Rowan and Seb!

We also had our very first swimming lesson this week. They all did amazingly well, some learning how to put their face in the water and showed us how they can swim from one side to the other.

Key Stage 3

7G

We have been working on counting in 5's and were brilliant at finding the correct groups of 5, to match their number.

7G worked on ball skill circuits and showed amazing teamwork!

We have been learning
about oral hygiene in PSD

7N

We have loved our first practical cooking
lesson this week, making fruit
kebabs. Some brilliant cutting skills, and a
few budding chefs!

We all loved our first
Enrichment sessions on
Friday – Lego was a big hit
with our group especially.

Lots of
enthusiasm in
our P.E
lessons this
week,
continuing
with circuits.
Well done 7N!

7S

We have had a super second full week! 7S have once again amazed us with their work. We have been doing drumming with African drums in Music and pond dipping in Science.

Star of the week
Shane

They have been doing some excellent pair work during lessons and some friendly play during break times. They have been inviting others, not in 7S, into their games!

House Point Winner
Fin

We had our first taste of yoga with Mr Altman in P.E.

8L

We have talked a lot about the Queen, the new King and enjoyed the assembly. All of us have added to our page in the AKS book of condolence .

Our House Point Winner is KAUTO! WELL DONE

This week we have enjoyed our new topic in PSD. Here we are discussing our ideas.

In Music, Mrs Lea has been teaching us some drumming techniques.

8M

In Maths we are working on decimals.

We are so proud of one of pupils for being awarded player of the match in football this week!

8M loved their first practical Food lesson. Thank you to Mrs Goss for helping us make a delicious calzone.

In English we have been reading Private Peaceful. We have been working in groups to discuss different aspects of WW1. 8M had to present their research and facts to each other. Amazing work everyone!

Chris is House Point Winner of the week!

85

ICT lesson – All about me using PowerPoint.

R.E was enjoyable, "Getting to know you" bingo. Numerical crossword in Maths was successful!

We had a great time composing pieces of music!

We have learnt lots about animal adaptation and habitats this week in Science!

In D.T we have started a new project – making a cushion.

More research in Science on habitats. Some examples were the Arctic and Rain Forests.

Lots of creativity for 9A this week. Artwork on role models, posters about the Queen and Lego enrichment.

House Point Winner:
Cobie

Star of the Week:
Alfie S

9A

Basketball drills again and even a 3v3 basketball game.

House Point Winner

Star of the Week

9K loved their first practical Food lesson making beef koftas. Lots of them were brave and tried the hot chillies!

They started coding in I.T. A great sense of achievement was felt with every level of the game completed.

In Geography, they have spent a couple of lessons working in pairs to use the fact cards to answer a list of questions about Zambia. Sometimes the answers were obvious and sometimes they were a bit more buried in the text- making it a little more difficult. Nevertheless, 9L powered through and have done remarkably well!

**House Point
Winner:
FIN!**

In History, the class have been talking about Crime and Punishment throughout the ages. This week they were talking about the Romans and how harsh their punishments were! We all felt lucky that times have changed since then!

9L

Last week, as a school we created a book of condolence for Queen Elizabeth with one page from each form. 9L created a lovely contribution, with a few heartfelt words to the family from each of them. They also each drew a related picture, covering our flag in kind sentiments.

We are learning about Food Chains in Science.

It was great to be back singing again!

9M

In PSD we have been working on our page for the AKS Book of Condolence.

Gracie joined Green Knights Enrichment

Star of the Week:
Charlie

For Art, we have been using one line to make a pattern and then using patterns in the shapes it made.

Great game of basketball in P.E.

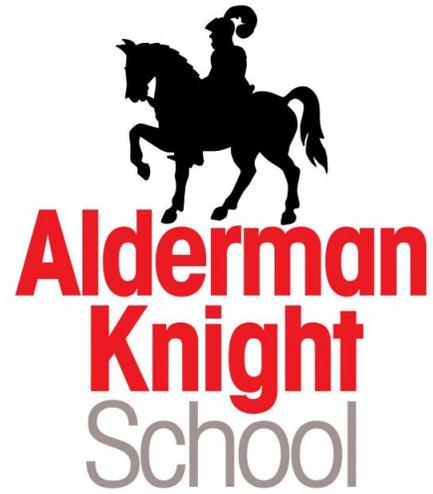

We are using Jigsaw puzzles to help us learn the countries of the world.

House Point Winner:
Kyle

Key Stage 4

House Point
Winner:
Liv Mann

Star of the
Week:
James

In ICT 10A are making a newsletter on a subject of our own choice.

Our class created a page to be added to the book of condolence that we are sending in remembrance of Queen Elizabeth II

10A

In Life Skills we made posters about food hygiene which overlaps well with our PSD .

In Hospitality and Catering this week we made a delicious quiche!

In PSD we are looking at hygiene.

In P.E we have split ourselves between football and badminton and are refining our skills.

Tutor Star:
Oscar

House Point Winner:
Adam

10N

In 10N we have been creating our page for the condolence book. Thank you to Adam for helping organize this!

English has also been a highlight this week for the pupils in 10N. Thank you to Miss Chamberlain for making their English lessons fun!

We have also had another enjoyable Vocation lesson, going weed hunting. Next week we will be pulling out these weeds and identifying them to use in our coursework.

P.E has been a fun one this week having a double lesson with some on the trampoline and some playing football games.

Food has been a highlight this week for 10N, cooking some delicious flapjacks!

Star of
the
Week:
Millie

In ICT we are now designing
our own newsletter of our
choice.

10P have been writing messages
of condolences to the Royal
family.

10P

Our sports leaders in
10P are learning
skills they need to
become a good sport
leader in the future.

House
Point
Winner:
Harley

Energy

kinetic energy = $\frac{1}{2} \times \text{mass} \times \text{speed}^2$
(joule, J) (kg) (m/s)²

KE = $\frac{1}{2} m v^2$

Our Hospitality and Catering group made cheese
and tomato quiches. Hope you enjoyed them at
home. They looked delicious.

Enrichment started last Friday.
They made some amazing buildings
with Lego. Look at this great example!

Our Physics group are
using Science equations
to calculate the energy
stored.

House Point
Winner:
Iori

In English 11B
were practicing
guessing the hobbies
and they had to guess
each other's hobby.

11B

In Art , 11B are
practicing their skill
share and in Drama
they are acting as
giants within their
Myths and Legends
topic.

In D.T 11B are creating
themed mood boards that
will become cushions.

In Science 11B have been
learning the names of
cells and cell
muscles, which is why
they are flexing their
muscles.

11J

Another busy week for 11J! Some wonderful brownies were made in Hospitality and Catering . Some beautiful Art collections are being created in Art, with photos and drawings. A very animated discussion on right and wrong in R.E and some mouth-watering menus produced in I.T! Our House Point Winner this week is Zac, who has chosen to use some of his breaktimes to catch up on school and homework, so well done to Zac! Liam and Charlie were our winners last week.

11S have shown great respect and reverence when talking about the sad occasion of the Queen's funeral this week. We've talked about our experiences of watching the funeral, and the parts of it that made the biggest impression on us.

11S

Our special Assembly this week was all about the Jewish New Year celebration, Rosh Hashanah.

In English this week we had a debate on the topic 'Should teachers be replaced by computers?' I'm glad to say the 'no' team won!

We enjoyed looking at some work and photos of the group from previous years!

The Hospitality and Catering group made quiche – save some for me!

11S had their first R.E lesson in Knight View. Our topic this term is Crime and Punishment, so the History pupils will be able to use some of their knowledge from last year....

**Our House Point Winner
this week is Harry H.
Congratulations!**

Filtration and sieving in the Science Lab

Look at our pop art designs!

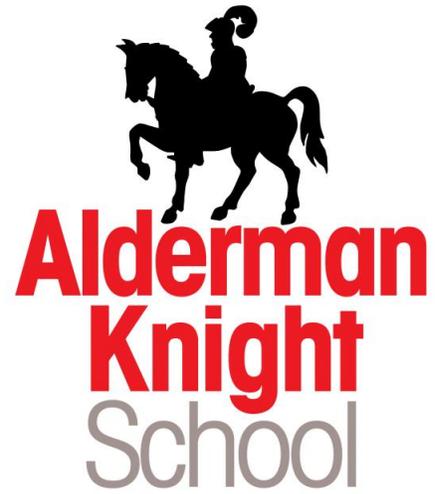

It was good to see the ponies again and the riding teacher was very pleased with what everyone could remember.

Everybody made delicious toasted sandwiches and hot drinks.

Post 16

Well done to Courtney for working so hard in all lessons, especially Geography.

Post 16 – 12B, 12W & 13F

In English, some of Post 16 have been working on Shape or Concrete Poetry. They have had to think of a subject, adjectives, similes, alliteration and metaphors.

In Employability sessions, Post 16 students have been working in groups and discussing how to create a wall board, displaying the ethos and vision statement of Post 16.

In Maths, some of Post 16 have been working on Algebra and learning how to expand and simplify using the grid method.
