

Week Commencing 24th March 2025

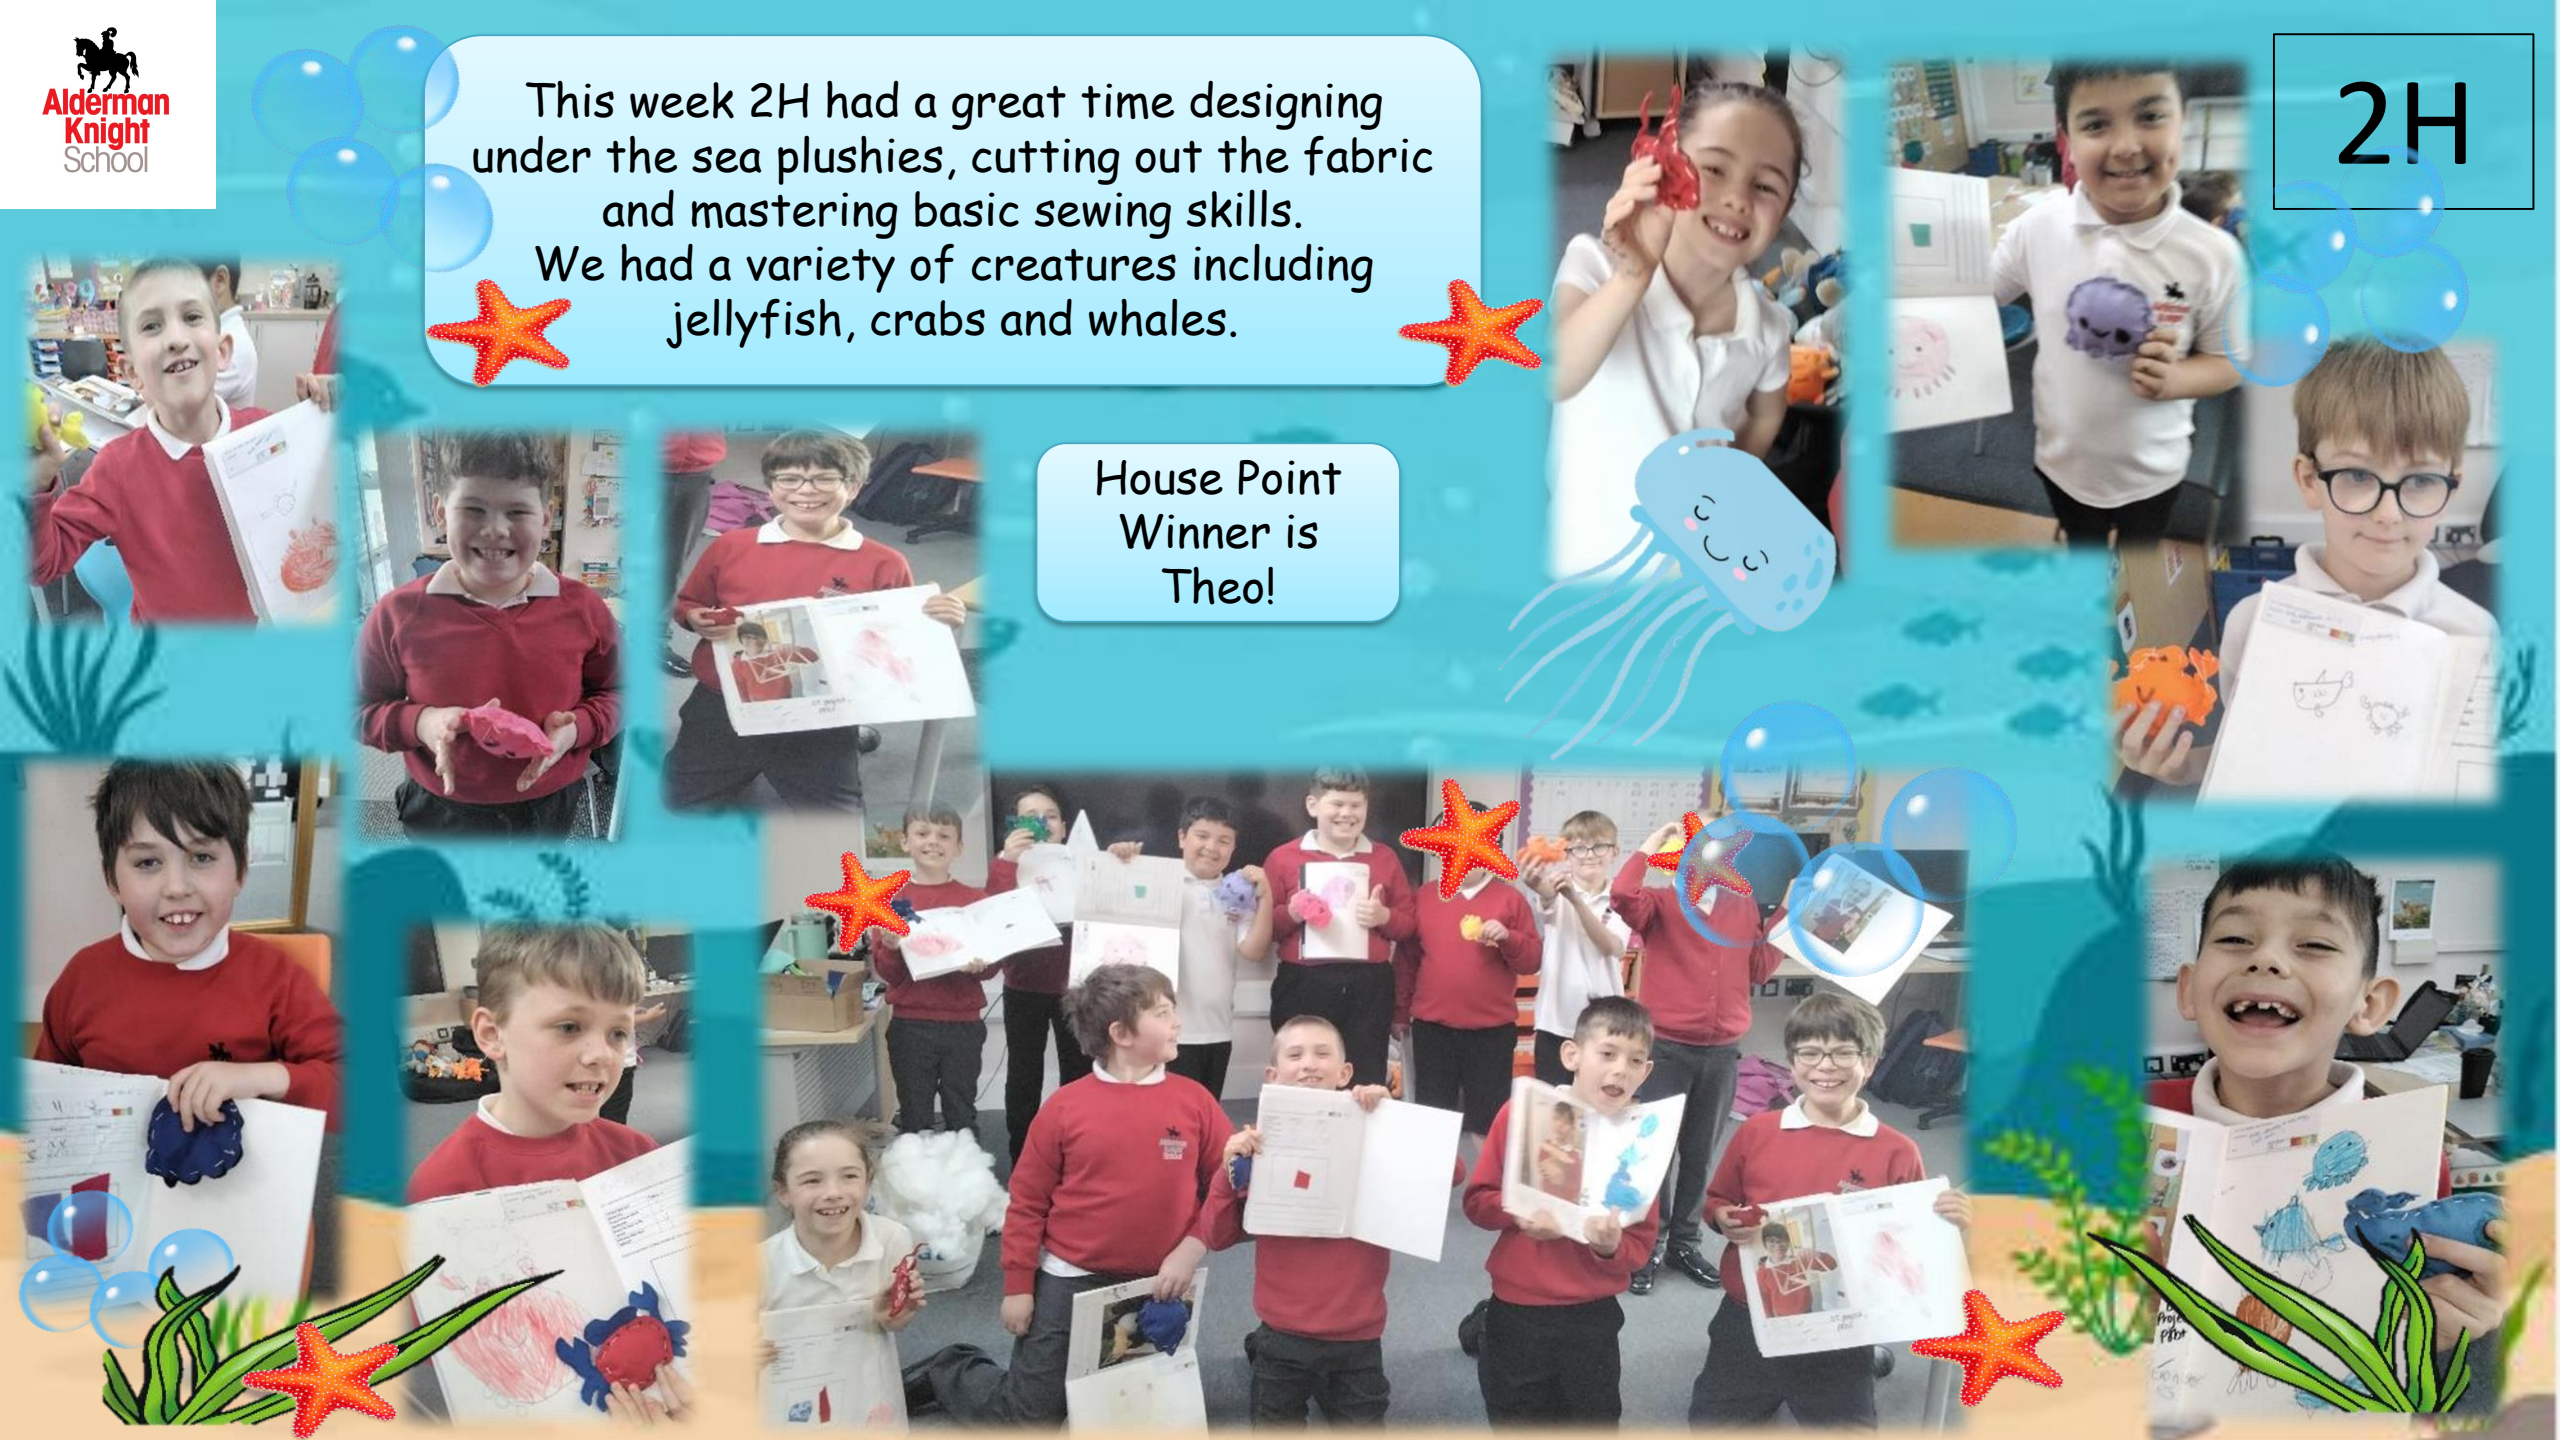

Primary

This week 2H had a great time designing
under the sea plushies, cutting out the fabric
and mastering basic sewing skills.
We had a variety of creatures including
jellyfish, crabs and whales.

7D

This week in Science, 7D have been looking at mains electricity and how to wire a plug. They learnt what each wire was called and why. They then had a go in pairs at disconnecting each wire and then rewired the plug again.

This week in Food, 7D made jam and coconut sponge. They learnt how to use an electric whisk safely and carefully. 7D listened to instructions carefully and all worked very well together. At the end of the lesson they worked together as a team to make sure the Food Room was left clean and tidy. The finished cakes looked delicious. Well done 7D!

For 7J's Science lessons they have been learning how to use a screwdriver and use plugs safely.

8K's week has been FAB!! We've made lemon drizzle cake today, We're growing seeds for a Science experiment, and we did willow cuttings in Outdoor Learning.

**March 26
Purple Day**

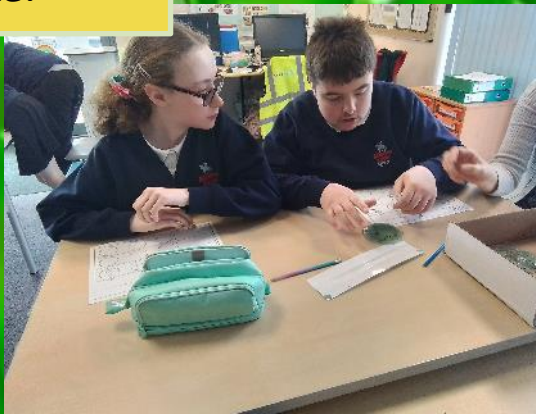

8W have been working on their Outdoor Learning folders and have been doing an experiment to test what plants need to grow.

8W used the creaming method to bake lemon and elderflower cake.

Jessica has the most House Points.

8W

In DT 8W worked on making puzzles.

Our Star of The Week is Skylar and our House Point Winner is Lewis.

Acting out The Tempest by William Shakespeare in Drama was good fun. We all played our parts brilliantly.

We made Swiss roll in Food this week. We all impressed Mrs Goss with our skills using the electric whisk and then folding in the flour gently.

Key Stage 4

10A

After a week that celebrated who we are, we have really enjoyed lots of team building, communication games and problem solving together in PSD.

This week in Food Tech,
we independently made
our puddings with a
partner to do our washing
up! Those that cooked
this week are washing up
next week!

We have been learning about equivalent fractions in Maths

In Hospitality and Catering, half of the group prepared and made a desert. They all looked delicious, we can't wait to see what the other half of the students create next week.

In Art, the students have been creating some beautiful prints using their lino prints. They have started exploring with coloured ink and printing onto the backgrounds they have created to see what different effects they can create.

In PE, the students have been working on their trampolining skills and starting to put a routine together.

In Food Tech this week the children were continuing with their food exams, and this week was the start of the puddings. There were some delicious brownies, sponges and cinnamon rolls made. Well done!

Our trampolining session was amazing!

In Maths we learned more about coins by playing a Kahoot.

In Arts Award we started with a drawing session followed by videoing our puppet show.

11M is concentrating on their Charanga Yumu music.

In Enterprise we emailed our McDonalds orders to Mrs Weston.

For our PSD ASDAN qualification, we worked on relaxation activities

11M enjoy their reading sessions.

We looked at persuasive language in English.

Post 16

Well done to our year 12s and 13s who were involved in the football tournament at Oxstalls Campus.

The year 12s and 13s had a visit from Inclusion Gloucestershire to explain about the annual health check.

Post 16 – 12F, 13W & 14S

The Year 12s had an amazing PE lesson where they were playing blindfold football!

13W tried out some team building tasks!

During 12F's Work-Related Learning lesson, the Year 12s looked at reasonable adjustments in the workplace.

13W made Easter cookies in their Food lesson – and enjoyed tasting them!
